ProForm® Handle

The ProForm® handle has just the right comfort for Professional tradesmen that want a softer grip. A layer of soft material and textured ribbing makes for a soft but secure grip for all types of finishers.

Five Star™ Wood Handle

The Five Star™ Wood handle is a new style of wood laminate that is sanded smooth for comfort. Special layered bonding process make this handle extra strong and long wearing. The rich look and feel of wood makes this handle a favorite of all finishers.

Patent Pending

Leather Handle

The Leather handle is long wearing and moisture resistant. The leather is soft and feels great in your hands. Professional tradesmen love the comfort and look of leather.
